THE DIGITAL HEALTH AND MEDICAL DEVICE REVOLUTION IN INDIA

This article was originally published in the 08th November 2017 edition of

The landscape of the Indian healthcare industry is in constant flux, with new developments taking place on an almost daily basis in terms of both technology and law. Dr. Milind Antani, Anay Shukla and Darren Punnen examine the radical evolution of the digital health and the medical device industries - both at the precipice of major regulatory reforms – and what this means for business in India, in their feature article published in the November edition of Digital Health Legal.
